To whom it may concern: I am a Cambridge Citizen/Homeowner. I stopped by the City Hall today (Tuesday) but there was no information available about the BDS Meeting. I now have your address and want to sign up to **speak** at your BDS/HP Hearing. Can you please put me on the List. I shall be there before the 5:30 meeting in my "Walker" (which I can is on if there are no seats). Is there any other information I require? Thank you, Nancy L. Salzman (ewsalzman@gmail.com)
